Description :

General Description:
School-in-a-Bag kit for 40 students and 1 teacher
This is a new kit and has been designed for the early stages of an emergency when resourcesare limited. It is assumed that the kit is a starter-kit in the period before the larger, longer term supplies reach the required areas. The kit has been designed so that there are sufficient supplies for 40 children and 1 Teacher (that are easy to transport and distribute) to establish a learning space and to enable learning activities to commence.
