Product Name :

Paint, Chalkboard, Black

Product Code :

SLE/CS/011

Description :

General Description:

Black paint for blackboards

Technical Specifications:

It is essential that the opening of the tin is 65mm diameter, enough to accommodate the Paint Brush (width 50-60mm). Paint, blackboard, black, non-inflammable, non-toxic, water-based, tin of 500ml, with spring locked lid to prevent spillage during transport.

The labelling on the tin provides clear instructions for use; instructions on how to clean the brush after painting, as well as storage conditions (frost-free).

Instructions for use: The paint is for re-surfacing of blackboards, slates, and walls used as blackboards. To be used with blackboard chalk and slate pencil.
