

Product Name :

Caliper

Product Code :

SCL1208/02

**Description :**

A Vernier Caliper is a visual aid to take an accurate measurement reading between two graduation markings on a linear scale by using mechanical interpolation; thereby increasing resolution and reducing measurement uncertainty by using Vernier acuity to reduce human estimation error.

Material : Nonius steel material

precision of 0.1 mm

maximum measurement length 120mm

External measuring rods and internal measuring (holes)
